

LABORATORY WORK, HEALTH AND SAFETY POLICY

SMS Geotechnical is firmly committed to a policy enabling all work activities to be carried out safely, and with all possible measures taken to remove (or at least reduce) risks to the health, safety and welfare of workers, contractors, authorised visitors, and anyone else who may be affected by our operations.

We are committed to ensuring we comply with the Work Health and Safety Act 2012, the Work Health and Safety Regulations 2012 and applicable Codes of Practice and Australian Standards as far as possible.

- By providing and maintaining, so far as is practicable, a working environment that is safe and without risk to health;
- By providing and maintaining, so far as is practicable, equipment and systems of work that are safe and without risk to health;
- By providing adequate information on hazards; and
- By providing instruction, training, leadership and supervision of employees to enable them to work safely.

SMS Geotechnical seeks the co-operation of all employees in achieving and maintaining a safe working environment.

- By ensuring their own personal health and safety, and that of others in the workplace; and
- By complying with any reasonable directions given by management for health and safety.
